

City Of Fitchburg Adopt a Veteran Program

Our Adopt a Veteran program is a way to ensure that our veterans receive the recognition that they deserve. With our adopt a veteran program, veterans receive an aluminum flag holder that will stay up year round and a flag will be placed in the flag holder at Memorial Day and fly until Veterans Day on November 11th. A certificate of recognition will also be sent to you, as a token of our appreciation.

Whether the veteran is a family member or one that has been long forgotten by time, you will be able to honor a past hero.

The cost for this package is \$35.00 and is a wonderful, respectful way to show that you honor those that have served our country.
