FITCHBURG – The Department of Public Works advises residents of the following work that will be done, weather permitting, during the week of April 11, 2022.

Road Construction

Monday – Friday, 7 a.m. to 3 p.m. Expect road closures, delays and detours.

- P.J. Albert Inc. will be continuing work on the Main Street and Boulder Drive 2-Way conversion. Electrical conduit work with existing street light and light pole removal followed by installation of new street lights, light poles and light concrete bases will be performed on Putnam Street, Boulder Drive, and Main Street. Conduit trench work to commence in the area between City Hall and the Upper Common. Reconstruction of existing traffic pattern at Boulder Drive and Main Street across from the common. Expect temporary road closures and delays throughout the week. Please note businesses along Main Street and Boulder Drive are open during construction. Parking is available at the Mill Street and Putnam Street parking garages.

Combination Sanitary Sewer/Storm Drain Separation Project. Monday – Friday, 7:00 a.m. – 5:00 p.m. Expect detours, lane shifts, road closures, and traffic delays.

- On-going Combination Sanitary Sewer/Storm Drain Separation Project:
 - Walnut Street from Water Street to Payson Street – Scheduled Sewer Replacement Construction will continue
 - Expect detours, lane shifts, road closures, and traffic delays.
- **REMINDER: Sewer Separation Program**
 - On behalf of the City of Fitchburg a representative from Weston and Sampson will be going door to door starting the week of 3/21/2022. It is necessary for the Wastewater Division to conduct a sewer inspection of residential and businesses for the upcoming sewer and drain separation project. Please assist the representative by allowing them to inspect your sewer service connection per design requirements for the proposed project. If you have any questions, please feel free to reach out to the City of Fitchburg, Wastewater Division at (978) 829-1911. Thank you.

Monday – Friday, 7 a.m. to 3 p.m. Minor traffic impacts:

- Pothole repairs in all wards.
- Repair water gate boxes at various locations throughout the City.
- Catch basin repair will be performed on St. Joseph Street and St. Andrews Street.

Hydrants

- Hydrant maintenance City-wide.

Street Sweeping 2022

- Street sweeping of wards 1, 2, 3 and 6 are complete.
- Street sweeping of Ward 4B will be performed at night beginning on Monday, April 11th.
- Street sweeping of Ward 4A will be performed during the day beginning on Monday, April 11th.
- Street sweeping of Ward 5 is estimated to begin on April 18th.

Residents are asked to sweep sidewalks in front of their homes. Sand should be placed in wind rows – not in piles – so that the equipment can successfully remove it.

Use [SeeClickFix](#) to report maintenance requests or concerns including potholes, sidewalks, signs/signals, lights, parks, catch basins or manholes.

Please call the DPW Dispatcher at 978-829-1900 with any immediate request including weather related events (snow, wind, ice, flooding) or sewage backups.
