FITCHBURG – The Department of Public Works advises residents of the following work that will be done, weather permitting, during the week of May 30, 2022.

Road Construction

Tuesday – Friday, 7 a.m. to 3 p.m. Expect road closures, delays and detours.

- P.J. Albert Inc. will be continuing work on the Main Street and Boulder Drive 2-Way conversion. They will be installing new curbing and sidewalk along Main Street and Boulder Drive. Traffic signal relocation will be continuing along Main Street, Boulder Drive, and Putman Street. P.J. Albert will be continuing with road reconfiguration and installing new traffic islands in the area around City Hall and the Lower Common area at Central Street and Boulder Drive. Expect temporary road closures and delays throughout the week. Please note business along Main Street and Boulder Drive are open during construction. Parking is available at the Mill Street and Putnam Street parking garages.
 - Main Street is now single lane travel at the approach to the Common/Lower Area.
- Water main reconstruction work will continue on Cushing Street. Cushing Street will be closed.
- Util will be conducting natural gas pipeline replacement projects in the areas of Mechanic Street, Whittemore Street, Buttrick Ave., Stockwell Ave, and Arcadia Ave. The contractors Neuco, S. Fors, Feeney Brothers and O.G. Croteau, plan to work 7:00 a.m. to 5:00 p.m. Tuesday thru Friday. Expect temporary road closures and delays. Residents will be given notice on any planned service interruptions associated with the gas work. The work is scheduled to be completed this summer. Please note that all businesses on Mechanic Street will remain open during construction.

Combination Sanitary Sewer/Storm Drain Separation Project. Tuesday – Friday, 7:00 a.m. – 5:00 p.m. Expect detours, lane shifts, road closures, and traffic delays.

- On-going Combination Sanitary Sewer/Storm Drain Separation Project:
 - South Street between Laurel Street and Nashua Street. Detour/temporary closure on South Street between Laurel Street and Nashua Street began on May 25th and will continue as needed.

Tuesday – Friday, 7 a.m. to 3 p.m. Minor traffic impacts:

- Pothole repairs in all wards.
- Spot sweeping around the city.
- Repair water gate boxes at various locations throughout the City.
- Sidewalk repairs will be performed on Day Street.

Hydrants

- Hydrant maintenance City-wide.
- Hydrant flushing in the Franklin Road, Fairmount Street, Ashburnham Street and Westminster Streets areas.

Use [SeeClickFix](#) to report maintenance requests or concerns including potholes, sidewalks, signs/signals, lights, parks, catch basins or manholes.

Please call the DPW Dispatcher at 978-829-1900 with any immediate request including weather related events (snow, wind, ice, flooding) or sewage backups.
