**FITCHBURG** – The Department of Public Works advises residents of the following work that will be done, weather permitting, during the week of June 20, 2022.

**Road Construction**

Monday – Friday, 7 a.m. to 3 p.m. Expect road closures, delays and detours.

- P.J. Albert Inc. will be continuing work on the Main Street and Boulder Drive 2-Way conversion. They will be installing new curbing and sidewalk along Main Street and Boulder Drive. Traffic signal relocation will be continuing along Main Street, Boulder Drive, and Putman Street. P.J. Albert will be continuing with road reconfiguration. Expect temporary road closures and delays throughout the week. Please note business along Main Street and Boulder Drive are open during construction. Parking is available at the Mill Street and Putnam Street parking garages.
  - Main Street is now single lane travel at the approach to the Common/Lower Area.
  - Two way traffic will commence on both Main Street and Boulder Drive at 6:00 AM Thursday June 23<sup>rd</sup>. Police details will be on-hand throughout the week to help ensure safety for vehicles and pedestrians. This traffic pattern will remain permanently. For more information please visit [fitchburgma.gov/mainboulderproject](http://fitchburgma.gov/mainboulderproject)
- Water main reconstruction work will continue on Cushing Street. Cushing Street will be closed.
- Util will be conducting natural gas pipeline replacement projects in the areas of Mechanic, Mattson, Elm, and Clarendon Streets. The contractors Neuco, S. Fors, RH White, Feeney Brothers and O.G. Croteau, plan to work 7:00 a.m. to 5:00 p.m. Monday thru Friday. Expect temporary road closures and delays. Residents will be given notice on any planned service interruptions associated with the gas work. The work is scheduled to be completed this summer. Please note that all businesses on Mechanic Street will remain open during construction.

Combination Sanitary Sewer/Storm Drain Separation Project. Monday – Friday, 7:00 a.m. – 5:00 p.m. Expect detours, lane shifts, road closures, and traffic delays.

- On-going Combination Sanitary Sewer/Storm Drain Separation Project:
  - South Street between Laurel Street and Nashua Street. Detour/temporary closure on South Street between Laurel Street and Nashua Street will continue as needed.
  - Trenchless sewer rehab work on Commercial, Henry, Marion, Payson, Main, Water, Saint Camille, and Woodland Streets as well as Rainville Ave.

Tuesday – Friday, 7 a.m. to 3 p.m. Minor traffic impacts:

- Pothole repairs in all wards.
- Spot sweeping around the City.
- Repair water gate boxes at various locations throughout the City.
- Sidewalk repairs will be performed on Day Street.
- Work on a new wall at Forest Hill Cemetery may close part of the walkway around the cemetery.

### **Hydrants**

- Hydrant maintenance City-wide.
- Hydrant flushing in the Oak Hill Road, Fairmount Street, and River Street areas.

Use [SeeClickFix](#) to report maintenance requests or concerns including potholes, sidewalks, signs/signals, lights, parks, catch basins or manholes.

**Please call the DPW Dispatcher at 978-829-1900 with any immediate request including weather related events (snow, wind, ice, flooding) or sewage backups.**
