FITCHBURG – The Department of Public Works advises residents of the following work that will be done, weather permitting, during the week of June 17, 2024.

### Road Construction

Monday – Friday, 7:00 a.m. to 3:00 p.m. Expect road closures, delays and detours.

- MassDOT will be continuing their reconstruction and rehabilitation of the Circle Street Bridge. Due to construction, the bridge will remain closed to vehicle and pedestrian traffic until further notice.

Monday – Friday, 7:00 a.m. to 5:00 p.m. Expect road closures, delays and detours.

- Unitil and its subcontractors Neuco, Path Mechanical and S-Fors will be conducting natural gas pipeline replacement projects in the areas of Almont Road, Almont Terrace, Senna Road, Ashburnham Street, Westminster Hill Road, Wallace Road and River Street.

Boulder Drive Water Main Improvements. Monday – Friday, 7:00 a.m. to 5:00 p.m. Expect detours, lane shifts, road closures, and traffic delays.

- Work areas on Boulder Drive will take place between Putnam Street and Mill Street. Roadway signage will indicate Boulder is closed to thru traffic but open to local traffic/businesses. Traffic control will also continue to facilitate access to City Hall.
- Localized excavation areas may occur on the east end of Boulder Drive to confirm existing utility locations.
- Localized excavation will occur on Main Street between Blossom Street and Day Street on Thursday, June 20<sup>th</sup>.
- Temporary water main system setup activities will continue on Putnam Street. This may result in localized, short-term closures throughout the week to cross roadways with the temporary water system.

Combination Sanitary Sewer/Storm Drain Separation Project. Monday – Friday, 7:00 a.m. to 5:00 p.m. Expect detours, lane shifts, road closures, and traffic delays.

- Traffic on School Street (between Main Street and Arlington Street) and Arlington Street (between Chestnut Street and Prospect Street) will be rerouted.

Monday – Friday, 7 a.m. to 3 p.m. Minor traffic impacts:

- Pothole repairs Citywide.
- The City will be working to install new communication conduit on Snow Street, Cherry Street, and North Street. Detour to be provided if needed.
- Repair water gate boxes at various locations throughout the City.
- Various repair of the existing drainage infrastructure(s).
- Asplundh will start tree work on Westminster Hill Road between West Road and Alpine Road for Unitil.

### Hydrants

- Hydrant maintenance City-wide.
- Hydrant Flushing on the High System (hydrants with red tops) in the Westminster Street, Depot Street, Franklin Road and Oak Hill Road areas including all side streets.
- Water gate valve exercising/maintenance in the Summer Street area.

**Street Sweeping**

- Street Sweeping has been completed. In the event a street has been missed, we respectfully request the constituent(s) report it using SeeClickFix.

Use [SeeClickFix](#) to report maintenance requests or concerns including potholes, sidewalks, signs/signals, lights, parks, catch basins or manholes.

**Please call the DPW Dispatcher at 978-829-1900 with any immediate request including weather related events (snow, wind, ice, flooding) or sewage backups.**
