FITCHBURG – The Department of Public Works advises residents of the following work that will be done, weather permitting, during the week of September 23, 2024.

Road Construction

Monday – Sunday 12 a.m. to 12 p.m.

River Street Bridge:

- MassDOT's contractor Northern Construction has implemented a detour on the River Street Bridge. All southbound traffic will follow the West Street detour. Northbound traffic will be maintained.

Newton Place:

- Newton Place from Main St. to Boulder Drive will be closed to traffic beginning on August 19, 2024 through the end of 2024.

Monday – Friday, 7:00 a.m. to 5:00 p.m. (expect road closures, delays and detours, and traffic delays).

Pipeline Replacement:

- Utilil and its subcontractors Neuco, Path Mechanical and S-Fors will be conducting natural gas pipeline replacement projects in the areas of Newton Street, Depot Street, Albee Street, Krysiak Avenue, Appleton Circle, Mt. Elam Road, Pleasant Street, Fairmount Street, Leroy Street and Electric Avenue.

Combination Sanitary Sewer/Storm Drain Separation Project:

- Traffic on Bond Street (between Arlington Street and View Street) will be rerouted.

Monday – Friday, 7 a.m. to 3 p.m.

Minor traffic impacts:

- Pothole repairs Citywide.
- Repair water gate boxes at various locations throughout the City.
- Various repair of the existing drainage infrastructure(s).
- Asplundh will be working on Alpine Road next week for Utilil.
- Asplundh will have two crews continuing tree work on Westminster Hill Road between West Road and Alpine Road for Utilil.

Hydrants:

- Hydrant maintenance City-wide.
- Hydrant Flushing on the Oak Hill System (hydrants with green tops) in the Rollstone Road and Mt. Elam Road areas.
- Water gate valve exercising/maintenance in the Main Street area including all side streets.

Use [SeeClickFix](#) to report maintenance requests or concerns including potholes, sidewalks, signs/signals, lights, parks, catch basins or manholes.

Please call the DPW Dispatcher at 978-829-1900 with any immediate request including weather-related events (snow, wind, ice, flooding) or sewage backups.
