FITCHBURG – The Department of Public Works advises residents of the following work that will be done, weather permitting, during the week of January 13, 2025.

Road Construction

Monday – Sunday 12:00 a.m. to 12:00 p.m.

River Street Bridge:

- MassDOT's contractor Northern Construction has implemented a detour on the River Street Bridge. All southbound traffic will follow the West Street detour. Northbound traffic will be maintained.

Newton Place:

- Newton Place from Main Street to Boulder Drive will be closed to traffic.

Monday – Friday, 7:00 a.m. to 5:00 p.m. (expect road closures, traffic delays and/or detours).

Combination Sanitary Sewer/Storm Drain Separation Project:

- On Monday, January 13th, traffic on Harding Street will be prohibited; abutters will be directed by FPD.
- Beginning Monday, January 13th and continuing through Tuesday, January 14th, traffic on Flat Rock Road will only be permitted for abutters, and will be directed by FPD on site.

Pipeline Replacement:

- Unitil will work with its primary natural gas construction contractor, Neuco, from approximately January 8th to January 14th in the area across from 192 Leighton Street. Most of the work will be off-road, and it should not impact traffic.

Monday – Friday, 7:00 a.m. to 3:00 p.m.

Minor traffic impacts:

- Pothole repairs Citywide.
- Repair water gate boxes at various locations throughout the City.
- Various repair of the existing drainage infrastructure(s).
- Stanley Tree will be working on Ashburnham Hill Road and Asplundh will be working on Alpine Road for Unitil.

Hydrants

- Hydrant maintenance City-wide.
- Water gate valve exercising/maintenance in the Main Street area including all side streets.

Use [SeeClickFix](#) to report maintenance requests or concerns including potholes, sidewalks, signs/signals, lights, parks, catch basins or manholes.

Please call the DPW Dispatcher at 978-829-1900 with any immediate request including weather-related events (snow, wind, ice, flooding) or sewage backups.
