FITCHBURG – The Department of Public Works advises residents of the following work that will be done, weather permitting, during the week of March 24, 2025.

**Road Construction**

*Monday – Sunday 12:00 a.m. to 12:00 p.m.*

River Street Bridge:

- MassDOT's contractor Northern Construction has implemented a detour on the River Street Bridge. All southbound traffic will follow the West Street detour. Northbound traffic will be maintained.

Newton Place:

- Newton Place from Main Street to Boulder Drive will be closed to traffic.

*Monday – Friday, 7:00 a.m. to 5:00 p.m. (expect road closures, traffic delays and/or detours).*

Combination Sanitary Sewer/Storm Drain Separation Project:

- The following excavation work is anticipated by GVC. Parking near the construction zones will not be allowed.
  - Elm Street – New sewer & culvert installation

Pipeline Replacement:

- Utilil and its subcontractors Neocon, Path Mechanical and S-Fors will be conducting a natural gas pipeline replacement project on Water Street (from 5th Street to Newton Street), Westminster Hill Road, Kimball Road and Cedar Street.

Main Street Water Main Improvements:

- JA Polito and their subcontractor Dewcon will commence installation of temporary water system piping (service interruptions to abutting properties is not anticipated). Work areas include:
  - Main Street in the Upper Common (both sides of the Common)
  - Main Street from Upper Common to Grove Street
  - Academy Street (between Main Street and Elm Street)

*Monday – Friday, 7:00 a.m. to 3:00 p.m.*

Minor traffic impacts:

- Pothole repairs Citywide.
- Stormwater maintenance to prevent flooding from blocked catch basins.
- Repair water gate boxes at various locations throughout the City.
- Various repair of the existing drainage infrastructure(s).
- Stanley Tree will be working on Ashburnham Hill Road and Asplundh will be working on Alpine Road for Utilil.

Hydrants

- Hydrant maintenance City-wide.
- Hydrant Flushing on the Low System (hydrants with black tops) in the Blossom Street, North Street, Highland Ave, Myrtle Ave and Townsend Street areas including all side streets.
- Water gate valve exercising/maintenance in the Main Street area including all side streets.

### **Street Sweeping**

- Street Sweeping will start April 7th in the Ward 3 area. Residents and business owners are asked to sweep sidewalks in front of their homes. Sand should be placed in wind rows – not in piles – so that the equipment can successfully remove it.

Use [SeeClickFix](#) to report maintenance requests or concerns including potholes, sidewalks, signs/signals, lights, parks, catch basins or manholes.

**Please call the DPW Dispatcher at 978-829-1900 with any immediate request including weather-related events (snow, wind, ice, flooding) or sewage backups.**
