Use [SeeClickFix](#) to report maintenance requests or concerns including potholes, sidewalks, signs/signals, lights, parks, catch basins or manholes.

Please call the DPW Dispatcher at 978-829-1900 with any immediate request including weather related events (snow, wind, ice, flooding) or sewage backups.

The City of Fitchburg, Department of Public Works, advises residents of the following work that will be done – weather permitting – during the week of August 10, 2020.

Road Construction: Monday – Friday, 7 AM to 3 PM. Expect road closures, delays and detours.

- Beech Street reconstruction will continue all next week.
- Sidewalk construction on Clarendon Street from Columbus Street to Daniels Street will continue all next week.
- Gas main work by Unitil/NEUCO will continue all next week.
 - Franklin Road from Shea Street to Electric Avenue
 - Depot Street at Westminster St – Road Closed
 - York Avenue at Oak Hill Road
 - Clarendon Street from Pratt Road to Franklin Road

Street Sweeping: Monday - Friday 7 AM – 3 PM

- Spot sweeping City Wide.
- Residents are asked to sweep sidewalks in front of their properties.
- Sand should be placed in windrows and not in piles so that the equipment can successfully remove it.

Maintenance Work: Monday – Friday, 7 AM to 5 PM. Minor traffic impacts:

- Pothole repairs in all wards.
- Catch basin repair at 935 Water Street.
- Sewer cleaning & TV of various locations. Expect localized detours and lane shifts.
- Heavy sewer cleaning on Airport Rd near Benson St. Expect local detours and lane closures.

Hydrants:

- Hydrant flushing (hydrants with red tops) starting at Depot Street and going along Fairmont Street, Franklin Road and all side streets in between towards South Street.
- Hydrant flushing (hydrants with black tops) starting on Rindge Road towards the North Street area and the Mechanic Street area.
- Repair water gate boxes at various locations throughout the city.

The Water Meter Upgrade Project is currently on hold until further notice due to the COVID-19 outbreak. Plans are underway to restart the project in August.
