

Obituaries 1964-1989

Obituaries for 1964-1989 were indexed in the 80's and 90's as part of a larger project of indexing the full issues of the *Sentinel and Enterprise* for these years.

They have not yet been digitized, but are available to browse by asking at the Reference Desk.

Please note that the indexes for these years do not include maiden names, and that only residents of Fitchburg or Leominster were included in the index at the time. It is not a fully comprehensive index of all obituaries that appeared in the paper during those years.

If the obituary you are seeking cannot be found in the index and is for a person that may not meet these criteria, we recommend confirming the person's date of death through other means, and searching on/after that date in our Sentinel archives (available on microfilm).
