

WASTEWATER DIVISION

CITY OF FITCHBURG NOTICE

WASTEWATER DIVISION

You are receiving this notice because construction is expected to occur in your immediate vicinity. **J. A. Polito & Sons, Inc. is expected to be installing new sewer pipes on Crescent Heights beginning the week of Monday, October 21st. The work is expected to take approximately four to six weeks. During this time, vehicular access of Crescent Heights will not be allowed during the construction hours of 7:00 AM to 5:00 PM due to the location and depth of piping being installed.** This construction is considered critical infrastructure for your area, and will help prevent roadway stormwater flooding and/or possible sewer backups in your homes during wet weather events.

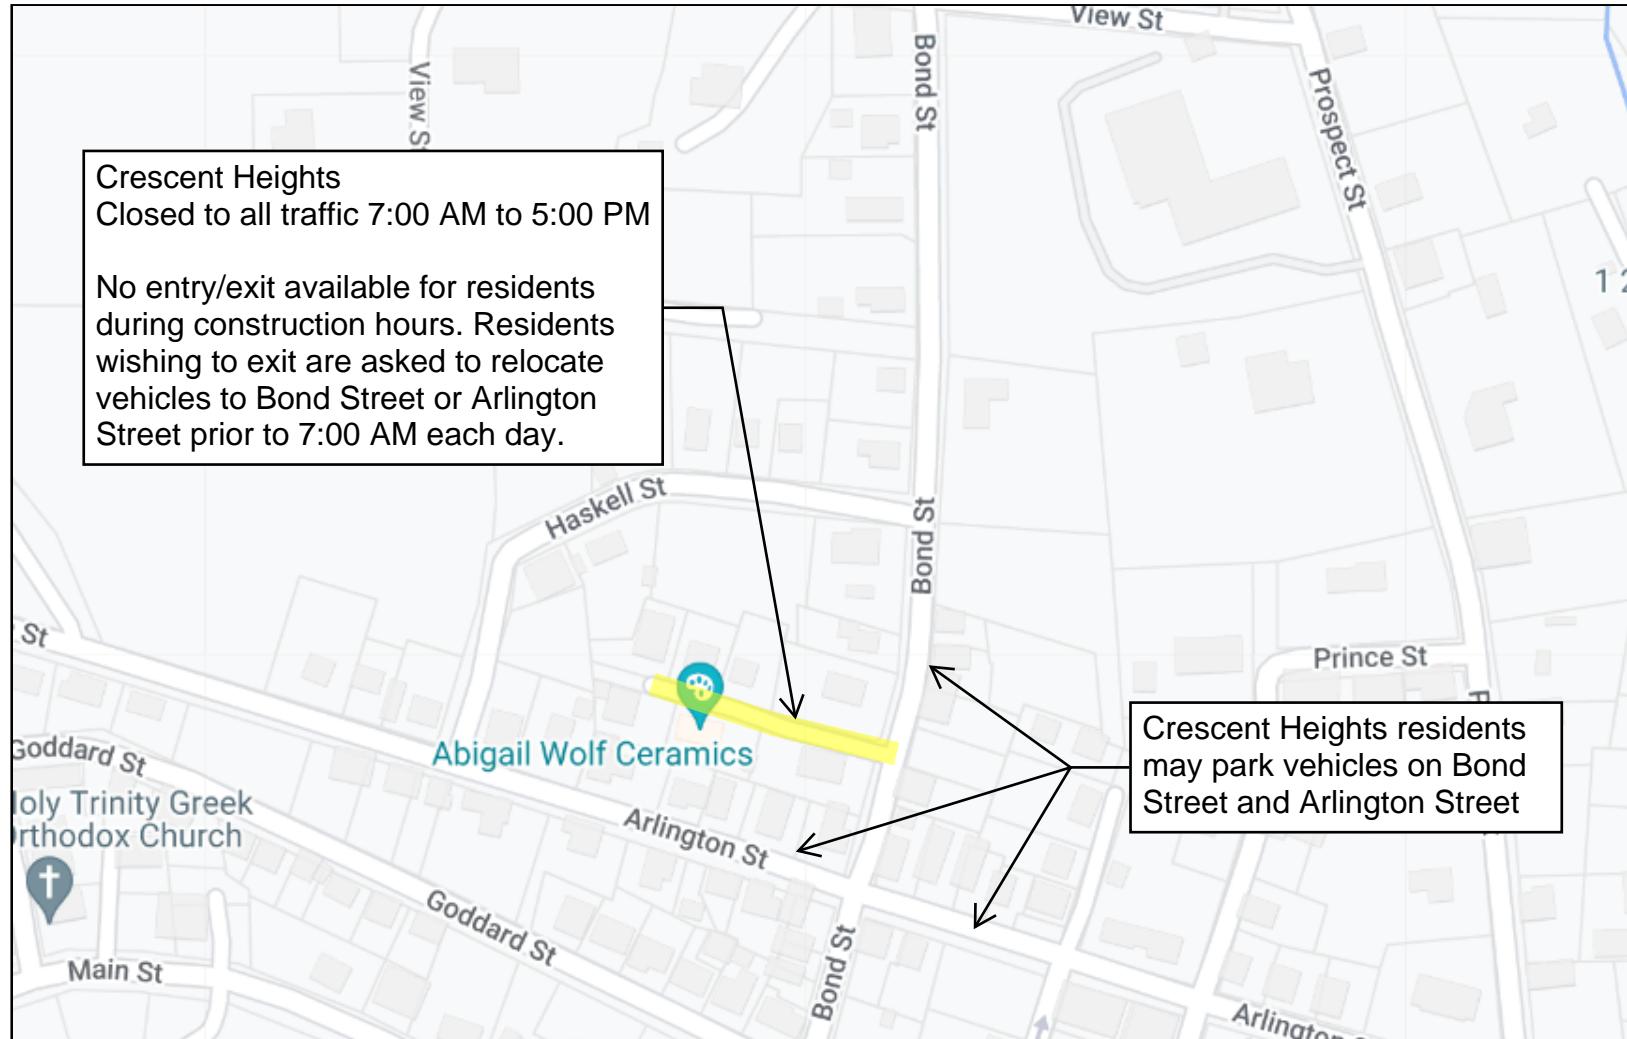

Residents of Crescent Heights are asked to relocate their vehicles the night before construction or before 7 AM during construction work days as vehicle access in and out of Crescent Heights will not be possible during construction hours. **Parking will be available for residents impacted by construction on Bond Street and on Arlington Street (see attached map on reverse side of this notice for reference).** The Fitchburg Police department will have officers on site, and residents may reach out to the police department at 978-345-4355 for assistance with walking on Crescent Heights, accessing their homes, and any other safety concerns.

During non-construction hours, vehicular access to Crescent Heights will be permitted for local traffic. The crew plans to start at the intersection of Bond Street and work moving West on Crescent Heights. As work progresses and paving is completed, access to homes/driveways will be restored. A resident representative from Weston & Sampson Engineers, Inc. will be on site daily.

We understand that this disruption can be frustrating, but please know that the work being carried out is of the utmost importance for the betterment of our community. We kindly request your cooperation and understanding during this time. By working together, we can ensure that these improvements are completed safely and efficiently.

If you have any questions or concerns, please contact Weston & Sampson at **(978) 548-4808** or the City's Wastewater Division at **(978) 829-1930**. Please leave a message including your name, address, and telephone number and someone will get back to you promptly. The City of Fitchburg Wastewater Division thanks you for your cooperation and apologizes in advance for any inconvenience.
