## Would You Like to Become a Professional Deleader?

This course alone does not allow you to do deleading. After taking the course you must be certified by Massachusetts Department of Labor Standards (DLS). Additionally, persons who work in the field must receive a medical examination (typically provided by employer), and respirator fit-testing, and Supervisors must pass a 3rd party exam (with a score of 70 or greater) given by the state.

### Requirements for Successful Completion:

- Ability to Read, Understand and Speak English Language
- Attend entire course in consecutive days
- Contractor/Supervisor must pass a written 100 question, multiple choice exam; Workers must pass a written 50 question, multiple choice exam; 70% or better
- Students who successfully complete course receive a Certificate of Successful Completion
