

Fitchburg's Gone Digital!

Check out these helpful apps, available on Google Play and the App Store

SeeClickFix

Get things fixed! Participate and communicate with public services via SeeClickFix - an efficient tool for reporting non-emergency concerns like potholes or light outages to the service provider responsible for fixing them.

- See - see a non-emergency issue in your neighborhood
- Click - submit a service request to local government
- Fix - track the response and engage in public dialogue, through issue resolution

Fitchburg Trash & Recycle Tool

Rubbish and recycling schedules and reminders for City of Fitchburg, Massachusetts. View your garbage and recycling schedule and receive collection notifications all from within this app.

CodeRED Emergency Notification System

The CodeRED Mobile Alert app enables subscribers to receive these notifications directly to their personal cell phone whether at home, on the road, or traveling around the country. Alerts are initiated by authorized public safety officials to deliver location-based notifications and are not issued by OnSolve or its staff.

Free alerts available:

- Emergency
- Community
- Missing persons
