

Public Notice

The Fitchburg Airport Commission is undertaking a project to update the Airport Master Plan and Airport Layout Plan for the Fitchburg Municipal Airport. The Master Plan will review the adequacy of airport facilities with respect to compliance with FAA design and safety standards and the ability to address the needs of the Airport for the 20-year planning period. All Master Plan chapters will be presented at Airport Commission meetings and made available on the Airport's website at <https://www.fitchburgma.gov/airport> for public review and comment. The Fitchburg Airport Commission encourages the public to attend Commission meetings to learn more about the Master Plan and participate in the process. Please direct questions to Airport admin@Fitchburgma.gov.
