PLAN YEAR 2022-2023 – SURVIVOR RATES

OPEN ENROLLMENT May 9 – May 20, 2022

The open enrollment period is your opportunity to make changes to your benefit elections for the 2022-2023 plan year. During open enrollment, you may:

- Enroll or make changes to your benefits
- Add or remove dependents

All changes are effective July 1, 2022. This is the only time during the year you can make such changes and will not be available again until May 2023, unless you have a Qualifying Life Event such as marriage or birth/adoption. Without any action, your current elections will rollover automatically into 2022.

You **must** contact the Payroll/Benefits office immediately if the following qualifying life events apply to you:

- If you are a survivor of a City employee and turning 65, you must qualify for Medicare A & B at your local Social Security office and contact our office immediately
- If you apply for disability, please call the Payroll/Benefits Dept. immediately
- Married, Divorced, or Widowed; please call the Payroll/Benefits Dept. immediately
